INTRODUCTION - WHAT WE DO

Reform Restore Respect (RRR) launched its community-based project - "I Didn't Know That!" - in March 2012 after the charity's incorporation in February 2012. In response to feedback from Mid-Kent College Campus at City Way and Maidstone, a Lecturer in Decorative Occupations wrote -

"As far as I am concerned if these guys come in and help just one, then it's one life that we have saved from going down the wrong road".

Another Instructor for Wood Occupation wrote -

"I thought that the prison talks were very good, very realistic and worthwhile for the students. My class felt that the prisoners told the true story and made the idea of prison not a nice place to end up, a real revelation!"

Early intervention approaches are notoriously difficult to measure and quantify, regardless of their impact, since they are based on the planting of ideas, different ways of thinking, alternative and credible approaches to youth-related problems such as negative peer pressure, self worth and self-image, etc. Indeed, we were delighted to see the work of Reform Restore Respect (RRR) picking up many accolades in its relatively 10.5 years short life such as nationally being recognised in October 2013 through our CEO and Presenter, Francis Osei-Appiah, winning the publicly-voted, **first ever 'No Offence!' National Inspirational Award** for the charity's work with young people. The charity subsequently won another award in November 2013, locally voted by the public in Kent for the **Heart of the Community Awards 2013**. In November 2014, the charity was locally voted as one of the big winners for the **Heart of the Community Awards 2014** for the 2nd consecutive year running. In May and June 2015, at the first ever Sevenoaks District Council Volunteers Awards - we won a certificate of achievement for **Charity Project of the Year** and subsequently at the North West Kent Crime Prevention Panel Community Safety Awards we won a certificate in recognition of **outstanding effort on enhancing community safety in Sevenoaks District**. In June 2016, Francis Osei-Appiah and the RRR charitable brand was asked by **The International Corrections and Prisons Association (ICPA) for National Offender Management Service (NOMS)** to have a page in their 2017 calendar which represents what the RRR charitable brand does as they felt Francis' story is the best demonstration of what NOMS should be doing – empowering and supporting people. In March 2020, with law and order very much the remit of a High Sheriff, Mr Paul Barrett MBE, High Sheriff of Kent 2019/20 honoured Francis Osei-Appiah and the charity with **High Sheriff Award** as a recognition for organisations and individuals who have rebuilt their lives following a prison sentence to prevent crime today. In February 2022, RRR Charity held a **10th Anniversary celebratory evening** dinner with Francis Osei-Appiah, Founder/CEO, fellow trustees and guests. In August 2022, the **National Crime Agency (NCA)** awarded Francis Osei-Appiah for his contribution and adding value to Major Crime Investigations in the UK as one of their Expert Advisors (EA) in Urban Street Slang Language.

The charity continues to grow from strength to strength each year and its reputation and brand is well respected within the Kent County. We have been invited to BBC Southeast News and BBC Radio Kent on many occasions within the past 10.5 years, speaking as expert commentator in our field of work and discussing many of the social issues which face young people in Kent. We are grateful for all of our supporters and partners who help promote our work publicly including local schools through 'word of mouth recommendation', the BBC, Kent's Police Crime Commissioner, Kent Police Chief Constable, Kent Police Training College, Kent County Council Fostering, Kent Schools, High Sheriff of Kent and local newspapers and KMFM.

The table below illustrates the charity school academic year-on-year growth since our inception in 2012.

The table above total of 33,271 attendees = an average attendees per annum over 10 years = 3,327

At the time of writing in September 2022, the 2021-2022 school year saw our cumulative total of workshop attendees pass the **33,000+** milestone in just 10.5 years, a commendable effort for a small charitable organisation. To date, **33,271** young people have seen our programme over the period February 2012 to July 2022. We closed the 2021-2022 school year having seen **3,031** young people and in 10.5 years having visited **335** schools, delivered **573** sessions which include Primary Schools with Year 6 'Transition' students and Secondary Schools.

'TRANSITION' PRIMARY SCHOOL OUTPUTS SNAPSHOT

Reform Restore Respect operates in the field of 'soft outcomes', those difficult to determine results of the impact, if any, that our workshops make on the thousands of young people who pass through our workshops each year. In our ongoing quest to produce better, more informed evidence of the effectiveness of our approach, we have, in tandem with our many supporters, devised simple, multi-option Feedback Forms to measure, wherever practicable, the post-workshop views of our workshops attendees on what they have just seen and heard. We seek a minimum **85%** satisfaction score from respondents who complete our Feedback Forms. Below are the various primary schools which we visited in the 2021-2022 school year and the overall average student satisfaction response scores that we achieved.

* **NR** = No Student Feedback Forms received from the school venue at the time of producing this report.

STUDENT COMMENTS**

'Thank you for spending your time explaining the dangers of gang culture. Now I know what prison is like, I will try my best to never go! Your speech has made me look at the world differently about who to trust and who not to trust and that not everybody is honest' – Lunsford Primary School

'I learned never join a gang and don't carry a knife in school' - Archbishop Courtenay Primary School

*'It has made me realise how dangerous gangs and drugs can be. Also it made me more confident about making right choices for my life. It also made me realise how much a criminal record can affect your life' – Lady Boswell's
CE Primary School*

'I learned more about gangs, how to not get involved in drug dealing which is something I was very worried about. We also learnt more about prisons, punishments and courts' – Mereworth Community Primary School

'I learned a lot about county lines, gangs and criminal records. I think it will help me to be more aware about making the right choices' – St. Katherine's Knockholt CE Primary School

*'I have learned how crime affects your future, that you should just walk away if somebody wants to give something to you and to never trust strangers and prison life and much more. It was an amazing assembly' – St. Michael's
Prep School*

'It helped me understand the different dangers of life' – Long Mead Community Primary School

*'I have learnt to be safer and more careful. I have also learnt if you make a mistake it will affect your life forever' –
Weald Community Primary School*

*'Dear Francis, Thank you so much for visiting our school. You are very inspirational and it has lead us into positive debates and conversations about drugs, gangs and also about life choices and consequences' – Park Way Primary
School*

*'It has made me realise that it is not good to break the law and to have a criminal record as it may ruin your future' –
Capel Primary School*

'I always did not want to commit a crime before this assembly, but this had taught me more about what a horrible life a life of crimes and jail is and the consequences caused by choices and actions' – Belvedere Junior School

'I learned that you should always try to be safe and do not break the law' – Edenbridge Primary School

Reform Respect and Restore Workshop

This week, Year 7 and Year 8 had the privilege of meeting Francis Osei-appiah from Reform Respect and Restore. He spoke about the choices that we all make in our lives and how he can support students in respecting society and the rule of law. The students asked many, many questions and said they thoroughly enjoyed meeting him and the whole experience.

To whom it may concern,

Please find enclosed the teacher and pupil feedback following Francis' visit to our school on 12th January. I would like to thank you for continuing to fund this charity. We have welcomed Francis into school for several years and, as a Year 6 teacher, I know how much benefit the children gain from his assembly.

I received an email from a parent following his visit which I wish to share with you:

I just wanted to pass on my thanks to you for arranging a really valuable session for the year 6 children yesterday. Xxx told both my husband and I (separately) all about the gentleman who visited the school and his life experience. She thoroughly enjoyed listening to him speak and hearing the path his life had taken. Some great life lessons to be learned - thank you for a really educational and informative session, excellent!

Yours sincerely,

Tracy Wicks

Dear Sir/Madam,

On Wednesday 23rd March Francis Osei-Appiah delivered the Schools Anti-Crime Presentation talk with Reform Restore Respect Charity to 168 year 8 pupils from Walderslade Girl's School part of the Skills for Life Academy Trust in Medway Kent.

The anti-crime presentation was incredible. The students at WGS were highly engaged throughout the presentation. I personally would like to take this opportunity to say thank you on behalf of The Skills For Life Trust and from the staff and students at Walderslade Girl's School for this highly informative anti-crime talk.

We really appreciate being able to offer this opportunity to our students to help them understand more and to see first-hand what it is like being involved in crime and how damaging it can be to their education and future. All our staff at Walderslade Girl's were impressed with the content and how well it was delivered.

Thank you for sending Francis from the Reform Restore Respect Charity so that we were able to offer this to our schools. It's good to know that together we can educate our students to make good safe choices as they grow in relationships and life with a hope to avoid a life of crime.

Thank you.

Yours sincerely,

Dear Mr Osei-Appiah

Please find enclosed completed feedback forms from our students and staff following your visit to Trinity School on Wednesday 19th January 2022.

Thank you for visiting our school and delivering an excellent workshop, which all students and staff found captivating. One student in particular came to speak to the Safeguarding Team after the workshop to explain how much of a difference it had made to him and has inspired him to think about the choices he makes in life. This led to a discussion about what the world would be like if Francis was Prime Minister!

We hope to be able to book a workshop for our college provision.

Yours sincerely,

Dear Francis

Thank you for hosting the workshops last week. I think it worked really well to have the small group sessions and the amount of positive feedback I have had from both students and staff has been huge. Several people have asked me to also pass on their thanks.

I felt very privileged to be in each of the sessions and witness our students interacting with you and can confidently say that this was one of the most engaging examples of public speaking I have seen. Your first-hand knowledge, frank discussion and 'non preachy' style drove the message home clearly.

I think you made a great impression on the whole year group, but for some, this will have been particularly useful PSHE session which I know will have had a deeper personal impact.

Once again, thank you from everyone at Hugh Christie, hopefully we can repeat this success next time with the Year 9 cohort into Year 10.

Yours sincerely

To whom it may concern,

This is to say thank you for the funding that enabled Francis Osei-Appiah from “Reform, Restore, Respect” to come into our school and give his presentation to Year 6. It was a very personal, eye-opening and engaging session which really focused on issues that some of our young people may very well soon face.

Francis was approachable, friendly and supportive in all he said and really made the session appropriate for children moving onto to secondary education.

This is a presentation that we would whole-heartedly recommend to anyone with children of this age.

Yours sincerely

Mr Arnold
